Annual Bi-Monthly Meeting

The regular bi-monthly meeting of the Roaring Brook Township Sewer Authority was held on Wednesday, March 6, 2019 7:00 PM at the Municipal Building on Blue Shutters Road. Present were Authority members Carmon Flynn, Gary Boam, Jeffrey Huester, Joe Filipkowski, Engineer Mark Voyack,” and Secretary Dale Baird. Authority member Jean Warring and Solicitor Al Weinschenk were absent.

MINUTES

- A **MOTION** by Boam was seconded by Huester **to approve the minutes of the January 9, 2019 meeting.** Motion carried.

TREASURER’S REPORT

- A **MOTION** by Boam and seconded by Filipkowski **to approve the Treasurer’s Report of March 6, 2019.** Motion carried.

ENGINEER’ S REPORT

Voyack reported electrical engineer is looking at what will be needed for the generators. Voyack said upgrading the Circle Drive pump station is not simple. If a larger pump was installed DEP would have to approve a new permit because the flow rate would increase. Of the five SSO reports filed last year four of them were a result of mechanical problems.

Chapter 94 reports for 2018 are finished. The report includes some of the issues in 2018 and the planned work in 2019.

Voyack has gotten prices and information on rain gauges. One model transmits information wireless to a computer to record information. Mr. Voyack will contact the Roadmaster about having the rain gauge at the Township Maintenance Building.

Work on the Fern Drive leak repair should start in the middle of March. Quotes will be gotten for televising the rest of Elmbrook Terrace, Crestwood and Olwen Heights.

Spring Brook Sewer Authority engineer contacted Mr. Voyack saying their Authority has applied for another grant in hopes to help with the expense of correcting the ammonia problem at the lagoon.

Smoke testing schedule is Griffin Road area, Roaring Brook Estates, Klee Development and Homestead Drive in April or May. Televising the lines in Elmbrook Terrace, Crestwood and Olwen Heights are planned for August or September.
